Graduation Ceremony DVD available for purchase for \$10.00 each, make check out to 'Connection Point Church'. DVDs will be mailed to the address on the form in about 4-6 weeks after graduation. Please fill out form and give payment to Joyce Bledsoe on the 5/14 rehearsal or 5/19 ceremony.

What to Expect on Monday, 5/14/18 at 6:00 p.m. rehearsal at Connection Point, 10500 East 350 Highway, Raytown, MO 64138

- Please arrive at 6:00 p.m. Parents will sign and pick up diplomas the night of rehearsal. You will be responsible for your diploma once it is picked up. The empty covers will be handed out during the graduation ceremony. You will insert your diploma into the cover once you get it home after graduation. Please do not bring your diploma to graduation. Parents should sign the diploma with a non-bleed pen.
- As you arrive, the choir and musicians may be rehearsing. Please enter quietly so you don't disrupt their limited rehearsal time.
- Parent seats will be labeled with stickers according to your student's last name. Please don't make any changes to the seating, even if it seems off.
- Please bring your cap to rehearsal. It will be helpful for you to use during practice, so you know what to expect graduation day. PLEASE MAKE SURE YOUR NAME IS WRITTEN ON THE INSIDE OF THE CAP. We don't want any missing caps on graduation day. There are no replacements.
- Ladies, it is highly recommended that you wear the shoes you plan to wear during graduation. There is quite a bit of walking and you will be going up and down stairs so please keep that in mind.
- The PowerPoint slideshow will run the night of rehearsal, so you will be able to see your graduate's pictures on display and review the slide; that will be the last opportunity before graduation otherwise after rehearsal it is final.
- FHE Senior Board members are all very excited to have you apart of this amazing event. We appreciate promptness and a good attitude.
