## What Goes In and What We Need

1. Pictures from meetings, dances, committees and any other senior event.
2. Pictures from other groups where more than one senior is involved, for example: sports, a coop class, music, debate, ect. (Maybe a picture of the seniors and their leader in a fun pose.) Include who is in the picture and the explanation. (Include records/awards/special events. Turn them in and we will see what we have room to include.) {If you are the only senior, put it on your individual pages.}
3. Traditional senior portrait for each graduate.
4. Dreams, events of the year/news Other fun stuff to include if we have room.

## DEADLINES

1. \_It takes 4 weeks once we order the books, and we would like to include graduation. Turn in ASAP after graduation.
2. Two deadlines: One deadline in February for everything up until that time, another in early May before graduation for the spring activities. We will reserve a couple pages for the graduation itself.
