

THE PASSION FUND

Here's what you need to know about the Passion Fund:

- Only graduating seniors with at least a three-year membership in Midwest Parent Educators or Families for Home Education are eligible.
- Providing suitable applicants are found worthy, one award will be granted to a graduating senior at each graduation ceremony (MPE and FHE).
- Funds may be used for college scholarships or as grants for entrepreneurial/ministry pursuits.
- The amount for each award is \$1000 with a renewable \$1000 amount to be awarded annually for up to an additional three years.
- Criteria for the award and its renewal is based on the worthiness and achievability of the pursuit. In other words ... sell us on your passion and sell us on how you plan to accomplish it.
- The renewable award is awarded based on how well you are continuing to pursue your passion ... or if your passion has evolved, what are you doing to accomplish your new direction?
- For an application visit <http://passionfund.org>. An essay or video presentation describing your passion and how you will achieve it will be required as well as a resume of your accomplishments and service.
- Application deadline is February 28th, awards will be selected on April 15th, and will be announced at MPE and FHE graduation ceremonies.
- Immediate family members of the selection committee are not eligible.
